Business Hub CMS Guide

The image shows two screenshots of the Business Hub CMS interface. The top screenshot is the Dashboard, and the bottom screenshot is the User Profile page.

Dashboard Screenshot:

- Header:** Blue bar with a chameleon logo, a search bar, and user information: "Visit" and "Allain Dollete".
- Left Sidebar:** Dark blue navigation menu with options: Dashboard, Contents, Media, Comments, Appearance, Plugins (1), Users, and Settings.
- Main Content Area:** A green banner says "Welcome!!!". Below it, a "Dashboard" section says "Welcome to the admin panel of your site." In the top right corner of this section, there are two buttons: "Profile" (blue) and "Logout" (red). A red arrow points from a text box to the "Profile" button.
- Text Box:** A red box with white text says: "Clicking 'Profile' will let you change your personal information and password."
- Footer:** "Copyright © 2015-2016 Camaleon CMS." and "Version 2.4.3".

User Profile Screenshot:

- Header:** Same as the dashboard.
- Left Sidebar:** Same as the dashboard.
- Breadcrumbs:** "Dashboard / Users / Profile / Edit".
- Main Content Area:**
 - Edit:Allain Dollete** section with a user profile card for "Allain Dollete" (with a placeholder photo), a "Change Photo" button, and fields for #ID, Login, E-mail, and Role (set to Administrator). There are "Update" and "Change Password" buttons at the bottom.
 - Form Fields:** "First Name" (Allain), "Last Name" (Dollete), and "Slogan" (empty). "Back" and "Update" buttons are at the bottom.
 - Quick Info:** A box titled "Quick Info" showing "Last visit" (2017-03-24 19:46:18 UTC) and "Registration" (2017-03-03 18:07:36 UTC).

Business Hub CMS Guide

The image displays two screenshots of the Business Hub CMS interface, illustrating the process of creating and editing content.

Top Screenshot: List of Pages

The top screenshot shows the "List of Pages" view. A red callout box states: "Click 'Add' to create a new page. This will be the same procedure when creating other types of content." An arrow points to the "+ Add Page" button. Another red callout box points to the "Contents" tab in the left sidebar, stating: "Under the 'Contents' tab, you are able to create different types of posts." A third red callout box states: "Currently you can create new pages, news clippings, links on the navbar, and event cards".

ID	Title	Status	Author	Updated At	Actions

Bottom Screenshot: Edit Page

The bottom screenshot shows the "Edit Page" view for the page titled "Steps to Starting Your Business". A red callout box states: "Make sure to copy the Permalink and paste it onto the navbar, event card as shown on the next photo". Another red callout box states: "The styling you do on the text editor will be rendered on the page being created. You are able to embed photos and videos also." A third red callout box states: "Change the layout to 'Article'".

The "Edit Page" view includes a title field, a permalink field, and a content editor. The content editor shows a sample text with links and a heading. The right sidebar contains configuration options, including "Published" status, "Layout" (set to "article"), and "Featured Image".

Business Hub CMS Guide

The screenshot shows the Business Hub CMS editor interface. On the left is a sidebar with navigation options: Dashboard, Contents, Navbar Links, Edit, Add New, Event Card, Media, Comments, Appearance, Plugins, Users, and Settings. The main content area is titled 'Edit Navbar Links: Steps to Starting Your Business' and shows a 'Published' status. The content area includes a title field, a permalink field, a content editor with a rich text editor toolbar, and a 'Links to start your business article' section. A red callout box with an arrow points to the 'Link to Page' field, which contains the URL 'https://trentonbusinesshub.herokuapp.com/start-your-business-1'. The right sidebar contains an 'Update' button, a 'Move to trash' button, a 'Save Draft' button, a 'Configuration' section, a 'Published' status dropdown, an 'Allow Comments?' checkbox, a 'Featured image' section, and an 'Upload image' button. The footer of the editor shows 'Copyright © 2015-2016 Camaleon CMS', 'See intro', and 'Version 2.4.3'.

Any pages you create make sure to paste the Permalink to the corresponding navbar/event card.

The screenshot shows the Trenton Business Hub website. The header features the City of Trenton seal and the text 'Trenton Business Hub' with 'Mayor Eric E. Jackson' below it. The navigation bar includes links: 'Steps to Starting Your Business', 'Manufacturing in Trenton', 'Manage Your Business', 'Grow Your Business', and 'Research & Reports'. The main content area is titled 'Steps to Starting Your Business' and includes a date 'March 11, 2017'. The text reads: 'Congratulations on taking the first step to open your own business! The City of Trenton is here to help you and your business succeed and to make the process of opening your business easy. Our business in the city...'. A red callout box with an arrow points to the text, stating: 'When a page is created, the items that you add on the text editor will render in this section.' The right sidebar contains a 'Newsletters' section with links to 'A Parker: Pizza Day Celebrated at Ninos Pizzarama in Trenton', 'Studio B Bakery is the Breakfast Place that Trenton Deserves', and 'Griffith Electric Remains Part of Trenton's Unfolding History'.

When a page is created, the items that you add on the text editor will render in this section.

Business Hub CMS Guide

The image displays two screenshots of the Business Hub CMS interface, highlighting key features for media and user management.

Top Screenshot: Media Management

The interface shows the 'Media' section in the sidebar. The main content area displays a file manager view for the 'root' directory. A red callout box points to the 'Media' link in the sidebar, stating: "Media is stored here. Which can be embedded onto your page."

Bottom Screenshot: User Management

The interface shows the 'Users' section in the sidebar. The main content area displays a table of users. A red callout box points to the 'Users' link in the sidebar, stating: "Admins have the ability to create new users and set their role depending on their job clearance."

ID	Username	Email	Role	Last login	Actions
7	jeffr		Administrator		
6	eric		Administrator		
5	alex		Administrator	March 20, 2017 18:02

Business Hub CMS Guide

The image displays two screenshots of the Business Hub CMS interface, illustrating the configuration process for a site.

Top Screenshot: General Site Configuration

The interface shows the "Configuration Site: Trenton Business Hub" page. The "Basic Information" tab is active, displaying fields for Domain, Name, Description, Logo, and Favicon. A red callout box states: "Under Settings/General Site, admins can set the domain Name, Description, set the logo and Favicon".

Bottom Screenshot: Filesystem Settings Configuration

The interface shows the "Configuration Site: Trenton Business Hub" page. The "Filesystem Settings" tab is active, displaying fields for Save files in aws s3, Aws s3 access key (*), Aws s3 secret key (*), Aws s3 bucket name (*), Aws s3 region (*), and Cloudfront url. A red callout box states: "This tab will let you set up File system settings.".

Both screenshots show the left sidebar navigation menu, the top header with the user profile (Allain Dollete), and the footer with the copyright notice (Copyright © 2015-2016 Camaleon CMS) and version (Version 2.4.3).
